

## 5.1 Geographic Scope

~~The~~Because the Parties expect that the BDCP's Covered Activities will be situated within the statutory Delta, the Planning Area to be addressed in the BDCP will consist of the ~~legal~~statutory Delta. The Parties anticipate, however, that the BDCP will include conservation actions outside of the Planning Area that advance the goals and objectives of the BDCP, including as appropriate, conservation actions in the Suisun Marsh, Suisun Bay, and areas upstream of the Delta. ~~Accordingly, the Parties agree that the Geographic Scope of the Planning Area will be the subject of further discussions and may be modified through the planning process based on the BDCP's conservation actions and for purposes of evaluating the effects of Covered Activities. A preliminary~~The Parties intend that conservation actions undertaken outside of the statutory Delta will be implemented in collaboration with local agencies, interested non-governmental organizations, and affected landowners in the vicinity of the conservation action, pursuant to cooperative agreements or similar mechanisms. A map of the Planning Area is attached hereto as Exhibit \_\_\_\_.
